

1. A goalkeeper in possession of a ball moves to make a punt. An attacker follows the goalkeeper in the same direction. The attacker blocks the goalkeeper from releasing the ball into play.
2. A teammate of the goalkeeper panics when an attacker approaches. He kicks the ball toward the goalkeeper outside his penalty area. The goalkeeper collects the ball with his feet and returns it to the penalty area. He then kicks it to a defender who is 20 yards up field.
3. On a corner kick, the goalkeeper jumps between two attackers to punch the ball away. After clearing the ball, the goalkeeper strikes the attacker in the head.
4. A goalkeeper attempting to catch a high-flying ball, jumps straight-up in the air with his knee raised. No attacker is within playing distance of the ball.
5. A ball deflects off an attacker to the goalkeeper's hands. The goalkeeper collects the ball and prepares to make a punt. An attacker who is moving away from the goalkeeper is hit in the head by the punt unintentionally by the goalkeeper. The attacker collapses on the ground.
6. A goalkeeper challenges an attacker (one-on-one). During the challenge with no other defenders within defending distance, the goalkeeper inside the penalty arc trips the attacker.
7. After the goalkeeper makes a save, the attacker who took the shot accidentally (through normal momentum) brushes by the goalkeeper. After the attacker leaves the penalty area, the goalkeeper throws the ball at the attacker's head while standing in the penalty area.
8. At the taking of a corner kick, the ball is lofted into the penalty area near the penalty mark. The goalkeeper and two defenders are standing on the goal line preparing to receive the ball. The goalkeeper, watching the ball, jumps into the back of an attacker who is preparing to head the ball. The attacker is knocked to the ground.
9. The goalkeeper after a dynamic save is lying outstretched on the ground with one hand on the ball. An attacker runs up and kicks the ball into the goal.
10. A goalkeeper, attempting to collect a loose ball within the goal area, is charged by an attacker.
11. A goalkeeper, who has moved out of the penalty area beyond his teammate who is on the goal line, charges an attacker who is in the air and knocks the attacker to the ground.

DISCUSSION QUESTION ONLY: A goalkeeper playing the ball with his feet, passes the ball to his defender 10 yards outside the penalty area. The defender passes the ball back to the keeper and the keeper plays it to the other side of penalty area. Another defender receives the ball and when pressured by an attacker plays it to the keeper's feet. The keeper dribbles the ball around the penalty area with his feet, releasing it once to a fellow defender. The attackers are not moving toward the ball. When does this become time wasting?
